HOW TO BECOME A DEALER

Selected retailers profit from attractive wholesale conditions. To start the process of becoming a registered dealer with us, please complete our online dealer application form at www.clawgear.com. Describe your business activity in detail as this is an important decision criterion for setting up any account.

A wholesale account is only available for retailers with appropriate infrastructure (brick and mortar shop or well organized webshop) and authorisation by the local authorities. Business activity has to be pursued full-time, product line must contain quality goods which are largely available from stock. We do not sell to any dealers conducting business out of their residence. Associations, martial arts schools and gyms, security companies, event and course organizers, drop shipment businesses, surplus dealers and other unrelated industries don't qualify for a wholesale account. Authorized retailers must be able to maintain competent advice to customers and aftersales services including technical first level support.
