# PMAG® 21 GL9, 9X19 MAGAZINE

## GLOCK®

MAG661

9x19

The PMAG 21 GL9 is a 21-round Glock 9mm handgun magazine featuring a new proprietary all-polymer construction for flawless reliability and durability over thousands of rounds. Meeting the overall length requirements for a 140MM competition magazine, the PMAG 21 GL9 offer additional capacity without the need for expensive extensions.

High visibility controlled-tilt follower, stainless steel spring, easily removable floorplate for cleaning, paint pen dot matrix for mag marking, ridged floorplate edges for better grip, and capacity indicator windows. Drops free loaded or unloaded. All with the same boring reliability you expect from an OEM magazine.

The PMAG 21 GL9 is compatible with all full-size, compact, and sub-compact double-stack Glock 9mm variants with some protrusion below the grip.

Made in U.S.A.

- Compatible with all full-size, compact, and sub-compact 9mm Glock handguns
- Durable, lightweight, and extremely stiff polymer construction
- High visibility controlled-tilt follower
- Long life stainless steel spring for corrosion resistance
- Flared, easily removable floor plate
- Dot matrix panel for magazine marking and identification
- Magazine capacity indicator windows on both sides of body
- Drops free loaded or unloaded
- Meets current USPSA 140MM (141.25MM) specifications
